

ENVIRONMENT POLICY

It is ÇİMTAŞ's goal to apply the Environment Management System to all of its operations based on a preventive approach and to improve the system in line with its mission, vision and values.

Our goal is the **“Protection of the Environment”** and the **“Efficient Use of Natural Resources”**, which is consistent with the Environment Management System.

In this context, ÇİMTAŞ's committed to:

- Protect the environment against all kinds of risks and accidents and to prevent pollution;
- Provide all necessary resources for the attainment of the established goals and objectives under the leadership of the department managers;
- Implement the Environment Management System, which is based on traceable and continuous improvement, in order to achieve environmental goals and to protect the environment in the future;
- Comply with all applicable laws and regulations, and any other requirements, and to meet the needs and expectations of interested parties.
