COMPANY OVERVIEW

2026

cimtas | pipe

WHO WE ARE

4 Million DIA"
SPOOL FABRICATION CAPACITY

100,000 t
LSAW PIPE CAPACITY

6,000 t
FITTINGS CAPACITY

Gemlik FTZ / Türkiye
120,000 m^2

CIMTAS PIPE is a market-leading company providing engineering, procurement, manufacturing of LSAW pipes and fittings, fabrication of pipe spools for power, oil, gas, nuclear and mining industry with the best in class vision.

More than **590** Projects in **60** Countries
More than **67 Billion USD** Historical Contract Value

46th @ ENR Top 250 International Contractors List - 2025
More than **25,000** Employees

SUSTAINABILITY

Çimtaş, along with the efforts to attain its wide-range social and economic sustainability goals, is striving to reduce its environmental footprint with all solar-powered facilities, paperless processes and responsible water & waste management approach; and by caring for an olive yard with a tree for each of its employees, a special olive kind awarded with protected designation of origin (PDO) status by the European Union at region where Çimtaş's core facilities are located.
